PRESS RELEASE

Public Input needed for Future Park land on Lange Drive

The Town of Lovettsville Parks Committee is seeking input on the Concept Plan for the Town owned Park property on Lange Drive.

February 29, 2012: The Town of Lovettsville Parks Committee is seeking Public Input on the Draft Concept Plan for the Town owned Park property on Lange Drive. The Work Session will occur at the Lovettsville Elementary School on March 14, 2012 from 7:30 – 9:00 PM. Any interested citizens are encouraged to attend.

Some of the park elements being considered include: apiary, community garden, fire pit, dog park, formal gardens, informal play field, trails, open space wooded area, picnic area, play area, as well as housing a Maintenance/Storage Facility for Town and Park use. Other options are being considered and will be discussed at the meeting.

Citizen input is critical to ensure the Park design reflects the needs and desires of the Town residents. For those that are unable to attend, more information and opportunities to share input will be available on the website www.lovettsvilleva.gov after the meeting.
